## Rights and Responsibilities...

DON'T FORGET we are all responsible for making sure transport with us is an enjoyable experience for all. This means:

- ♦ Respecting each other.
- ♦ Respecting our drivers and assistants
- ♦ Realising that everyone has a bad day every now and then but its important not to take it out on others.
- ♦ Remembering we all come from different walks of life and places and our differences make us interesting.
- ♦ Following the instructions regarding keeping safe

If you ever feel unsafe whilst using our service or that your rights have not been met please do not hesitate to contact us, or someone can do this on your behalf.

### Infection Control COVID-19 Update...

We are still open for business and able to assist with your transport needs whilst adhering to restrictions at this time. Transport out of the area is dependant on the availability of drivers and it is best to phone as early as possible for transport requests. Clients presenting with cold or flu-like symptoms are required to wear a mask for the duration of the trip and will be transported to a medical facility ONLY. We ask that you advise us if you are experiencing these symptoms before the trip is due to take place. We are ensuring a high level of cleanliness in vehicles and implementing strict hygiene measures to assist in the health and safety of all Service Users, Volunteers and Staff. We would like to thank you for your patronage and compliance as we navigate through these difficult times. If you have any concerns or queries regarding our response to COVID-19 please phone the office.

### Meet our Team!

***You've met our drivers and assistants, let's introduce you to our Office Team Members...***

I am pleased to introduce you to Linda.

Linda is our policy and procedure fairy working in the background ensuring everything in the organisation is compliant and up to date. Linda works from the Nowra office and brings a lot of joy and sparkle to the environment.

### Winter Fire Safety...

Fire and Rescue NSW recommend this simple safety checklist to help keep safe this winter.

- Have an adequate number of appropriate smoke alarms installed that are tested regularly.
- Don't fight the fire - get out and stay out and dial '000' immediately.
- Know two safe and clear ways out of every room in your home.
- Make sure all keys to all locked doors are readily accessible.
- Have an escape plan in case of fire and practice it regularly.
- Never ever leave cooking unattended.
- Never ever smoke in bed.
- Place screens in front of open fires.
- Be careful of loose fitting garments near heaters and cooking appliances.
- Make sure heaters and their cords are not a trip hazard.
- Consider using wall mounted heaters or oil-filled column heaters.
- Keep portable heaters away from curtains, tablecloths and bedding.
- Place drying clothing at least 1 metre from heaters or fireplaces and never leave unattended.
- If you use a clothes dryer clean the lint filter each and every time you use it.
- Don't overload power points and switch off when not in use.
- Always handle candles or any other open flame with care.

### Social Outings...

Due to COVID-19 social outing trips have been suspended until further notice. If you are interested in attending future social outings please phone the office to register your details and someone will be in contact once outings recommence. We look forward to seeing you all in the future for some fun filled adventures.

### Please Ask Us...

If you have any questions or would like information on the services we can provide please do not hesitate to contact our friendly office staff. We travel near and far accommodating as wide a range of transport requests as possible, it is always worth phoning to see if we can help you! Whilst there are restrictions during the current COVID-19 pandemic we look forward to resuming all services when safe and legal to do so.
